The design and documentation was carried out to a high standard and within the programmed time. VietTECH put forward many ideas and suggestions to supplement the basic design that had been provided as part of the initial brief... The project was completed on time, within budget and to a good standard

I was very impressed with the commitment and work ethic of the VietTECH team and their willingness to understand and execute intricate shop-fit detail design. It was a pleasure to work with VietTECH and I would be have no hesitation in recommending them. As Shed's now nominated Vietnam contractor we look forward to work closely with them again in the future
